6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Institution reviews teaching learning process, structures and methodologies through IQAC. The institute's approach to the learning outcome assessment is defined clearly. Faculty is best suited to determine the intended educational outcomes of their academic programs and activities. The results of outcomes assessment are used to evaluate the effectiveness of academic programs and activities, and student services, and not the performance of individual faculty or staff. Faculty use the information collected to develop and improve academic programs. The institution has clearly defined, set mechanism to monitor the learning outcomes. Attendance is compulsorily taken by the faculty member and laboratory hours are fixed. Based on the participation in the class tests, seminar and marks scored in the assignments, the student level is judged by staff member and appropriate action is taken. Use of ICT and eresources enhances the teaching learning process and IQAC suggest changes if needed. At the end of each unit test, progress reports which consist of unit test results and attendance status are submitted to the office for further action. Counseling is given to slow learners. Parents of such student are called to meet their respective faculty member, if required. As the entire lab courses are continuously assessed, students who lack in these courses are given additional help and guidance. They are also given additional lab practice. The faculty members are encouraged to conduct test, quizzes, etc. to monitor the academic progress of each student.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1 Awareness and Enrolment of the students from rural and tribal belt towards higher education. The Context - Mostly students are having vernacular medium, from labour class, farming society. They are not enough to meet their fundamental needs also. Secondly the institution is located at kalamb/Ralegoan road two and half kilometers away from kalamb. The area of kalamb is surrounded by small villages which have majority of people belongs to S.T., S.C.,OBC. etc. The area is not yet developed and we are trying to provide education and enhance the development of the area. PG and UG courses are initiated in the institution to encourage student's potential for getting employment for the progress in their lives.

Best Practice 2 - Title of the Practice - Leading techniques adopted for eco-friendly campus and proper utilization of natural resources in college The Context Environment consciousness is the motto of the college, The natural blocks and the steps constructed on the slope of the hill arrest the speed of water flow at the college. The check dam not only prevents soil erosion but also stores water for plants and different purposes. After this systematic mechanism, tree

plantation is become the major concern of the college to maintain the pristine purity and beauty of the college to provide a congenial atmosphere for the academic and non-academic pursuits. Nurturing Plants is one of the non-academic pursuits that develop eco-concern among the students.
