Feedback Analysis and Action Taken Report 2020-21

The institution has a well established feedback system. The institution encourage to students, alumni, parents and teachers to give their thoughtful, constructive feedback and communication in the form of questionnaires /form The questionnaire is design to measure candidate perception about in academic course work, teaching experiences and overall college functioning. It is submitted to the relevant authority of the institute. The teacher's feedback is implemented for the corrective actions to be taken. Hence, feedback from all the stakeholders is valuable for the institute as it provides the inputs regarding improvements in facilities and curriculum development. On the other hand it gives a chance to introspect and insightful vision for the institution. The institution collects feedback and analyzed. So, we appeal the stakeholders to provide their sincere feedback to institute. The formal evaluation and informal comments and consolations are used to make improvement in curriculum/course and other facilities exited in the institution. From these the college is continuous to review development and improve practices which are satisfying the need of stake holders.
