PREFACE

Institution is having its IQAC Cell. It is established in 14/09/2011. The principal Dr. P.B. Mandavkar is chairman of the cell. Within the existing academic and administrative system, the institution has developed mechanism of its own for the quality assurance.

The administrative system also looks after the quality educations are always aware to the administrative needs. The advisory committee are also constituted and are well equipped for quality assurance of the institution's administration.

VISION:

- To set the quality defining elements in various aspects of institution

MISSION:

- To stimulate the academic ambience
- To promote quality of teaching –learning, research, and Community engagement.
- To encourage self-evaluation accountability and innovations.

POLICIES OF IQAC:

The Internal Quality Assurance Cell (IQAC) of the college is primarily focused in internal quality. The primary objective of the IQAC is to investigate rather than at the college processes with a perspective of providing quality to all the stakeholders.

Understanding the significance of the IQAC has attempted over the years to systemize processes through which quality enhancement can be achieved. The IQAC has also perceived that quality enhancement initiatives need to be decentralized, rather than nodal, with several activity heads being appointed and each deploying their activities as a separate team.

The college IQAC quality policy for all stakeholders is manifesto from involvement to development. This policy ensures that all the stakeholders, mainly the staff and the students involve themselves in all activities of the college during their tenure.

- At par of NEP, IQAC is always receptive for innovations in teaching–learning research, Consultancy, Global education, which contributes in higher Education
- To stimulate the academic ambience of promotion of quality teaching –learning and research in campus.
- To encourage self-evaluation accountability and innovations
- To undertake quality related research studies consultancy.
- To make familiar and use to with the latest technological developments in higher education.
- To ensure quality of teaching, learning skills infrastructure and other facilities etc.
- It interacts with students, teachers management and other stakeholders to build coordination for quality maintenance.
- The IQAC analyses and improvise the facilities for teacher and students which given to the students.
- IQAC is always receptive to the new ideas generated for quality related matters which enhances teaching –learning and research for higher education.
- To ensure quality of teaching, learning skills infrastructure and other facilities etc.

- The IQAC analyses and improvise the facilities for teacher and students which given to the students.
- IQAC is always receptive to the new ideas generated for quality related matters which enhances teaching –learning and research for higher education.

Action Taken Report of Academic Year 2022-2023

The opening session meeting of IQAC held on 15/09/2022. The following actions were taken for the new incorporation and procedures on time to support the smooth functioning of the institution in the session 2022-23

- IQAC is decided to replace and admit new faculty member and other one member from stakeholder and industrialist hence the new members are enrolled and welcomed by IQAC and explained the role and functioning of apex body.
- The academic calendar for the session 2022-2023 is prepared and approved by IQAC and following the guidelines of Parent University it is suggested to implement it for the session.
- For the smooth conduction of counseling and admission procedure, various academic committees have been formed to admit the students in the institution.
- National Conference on NEP – 2020 “Innovations in teaching – Learning and Evaluation Process in Higher Education is planned and organized at Goa.

Subsequent to the meeting conducted on 24/10/2022, the following actions were taken to complete the academic and co-curricular activities on time of the institution

- The departments and supporting units were directed to prepare data collection for AQAR for the academic year. The departments and supporting units were also instructed to present the reports of their activities conducted during the academic year..
- All the staff has been instructed for undertaking research activities. Faculty members contributed in research by their research papers on various levels.
- Classrooms and laboratories were prepared for newly installed programmes and made available to the teaching learning process.
- As the institution granted to run M.Sc. (Chemistry), M.A. (Geography) and M.A. (Economics), hence admission process is started in the academic session. all the stake holders are informed for this new academic joining and request has made to cooperate for the smooth functioning.

Following actions were taken subsequent to the meeting conducted on 27/11/2022.

- The Perspective plan is reviewed and The IQAC college management along with CDC is decided to initiate M.Sc. (Physics), M.Sc (Mathematics), M.Sc (Zoology) and B.A. (Music) in institution.
- All the documentary process is completed and forwarded to Parent University for recognized research center in Department of Physics
- Department of Mathematics organized one day science exhibition on the theme of Mathematics in Day to Day Use. The IQAC discussed the extension and outreach programmes through NSS Unit of institution and various committees/cells in the session
- Schedule for Academic Audit is decided and IQAC suggested commencing the process of academic audit
- Faculty publication list was collected by research committee and updated it and reported to IQAC.
- With the able guidance of IQAC along with Department of Home-Economics & Marathi; Students are participated in Avishkar 2022 university level competition with their innovative models.

Subsequent to the meeting conducted on 24/01/2023, the following actions were taken to complete the academic and co -curricular activities on time of the institution.

- One day programme on "career opportunities in banking sector and awareness about e-banking" is organized by Department of Commerce & Career Counseling Cell
- Internal supervision of the departments is completed to ensures transparency and verification /checking of smooth functioning of the department
- To enhance the knowledge of PG students as well as faculty members on "Quantum Mechanics", one day workshop is organized by Department of Chemistry.
- The academic audit report is submitted to university through IQAC for the further process of affiliation to institution.
- The IQAC is directed to update departments with academic and co-curricular associations. To plan the academic activities, co-curricular activities and sports activities at university level.

Following actions were taken subsequent to the session concluding meeting conducted on 22/04/2023.

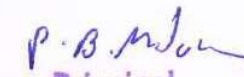

- It was decided to publish Annual magazine to be themed around "Sports, Health & Mental Balance" and its socioeconomic impacts. It bagged first prize at University.

- IQAC suggested that a vision and a roadmap for qualitative development of the college should be made and executed.
- It was decided to initiate the process of collecting data for AQAR for the session 2022-23. The criterion wise heads make aware to submit the data for further process.
- Process for recruitment of teaching faculty is initiated and documentary procedures are done by the institution.
- Institute promotes students and faculty for research. Apart from this students also presented their models in university level Avishakar competition.

Action Taken Report of Academic Year 2021-2022

The opening session meeting of IQAC held on 06/09/2021. The following actions were taken for the new incorporation and procedures on time to support the smooth functioning of the institution in the session 2021-22

- As one of teaching faculty is expired in COVID-19, hence IQAC is decided to replace and admit new faculty members. They are welcomed by IQAC and explained the role and functioning of apex body.
- As per decision so as to incorporate the academic calendar for 2021-2022 of the institution. The academic calendar for the session was approved by IQAC and suggested to implement it for the session following the guidelines of parent University.
- In post COVID period various committees are formed and different process is implemented to have student admitted in the institution in order to accelerate the process of admission for the academic session.
- Preparatory review has been taken to arrange the workshop /seminar / conference on IPR and Entrepreneurship.

Subsequent to the meeting conducted on 16/10/2021 the following actions were taken for the better functioning of the institution

- Promotion of online teaching and preparation of e- content. As per the guidelines of the regulatory bodies it was decided to make online teaching more effective. The faculties were suggested to conduct and also to participate in MOOC and other courses to prepare and use e- content materials.
- Discussion has been taken on submission of AQAR and IQAC suggested collecting the criterion Data for finalization and submission of AQAR.
- To make actual teaching and practical session a newly constructed Environmental Science laboratory is made available to the teaching learning purpose.

Subsequent to the meeting conducted on 15/11/2021 the following actions were taken for the enhancement of better functioning of the institution

- Based on the societal demand, the college has done conscious attempts and introduced Post Graduation Courses in various subjects to acquire the PG without hardships.

- The IQAC discussed the extension and outreach programmes through NSS Unit of institution. The IQAC suggested to committees to arrange more socially relevant activities.
- Academic Audit report is the major initiatives and events of the College during the academic year. It recognizes the achievements of the departments and faculty. In addition, it also provides information on the activities of student, institutional social responsibility and research achievement of College during the academic year. Annual audit preparation is done and carried out .Report is put forward to statutory body for submission to the parent University.
- To foster the research culture publication list of faculty members is updated by IQAC along with Research Committee.

Subsequent to the meeting conducted on 15/01/2022 the following actions were taken to complete the academic and co-curricular activities on time of the institution.

- On the occasion of birth Anniversary of Netaji Subhash Chandra Bose the orientation programme of faculty and student is organized online mode following the rules and regulations of authority.
- The smooth functioning of various departments is checked by IQAC and a suggestion has been given to improve their academic performance.
- The process for authentication of Physics research center is initiated to enroll the students for P.hD.
- The Academic Audit Report is submitted to the Parent University for Affiliation process of some courses.
- Under the guidance of IQAC the online academic activities, training programmes were organized.

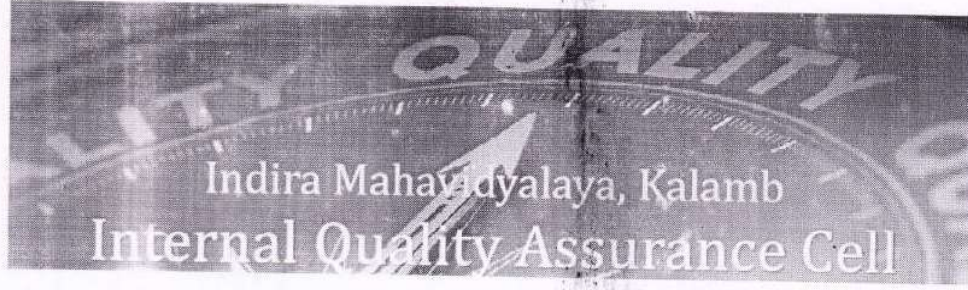

Following actions were taken subsequent to the meeting conducted on 24/03/2022.

- The national E-conference of Chemistry is organized in MOU of the institution.
- The Publication of annual magazine was done themed around COVID -19 with its socioeconomic impacts. It won University's First Prize for publication.
- The vision and roadmap of qualitative development is decided by the management along with CDC and IQAC.
- The departments and supporting units were directed to prepare data collection for AQAR for the academic year. The departments and supporting units were also instructed to present the reports of their activities conducted during the academic year.
- The process of recruitment of full time teaching faculty is initiated the significant steps has been done by the administrative section under the guidance of Principal and IQAC.

Action Taken Report of Academic Year 2019-2020

The opening session meeting of IQAC held on 15/07/2019. The following actions were taken for the new incorporation and procedures on time to support the smooth functioning of the institution in the session 2019-20

- As per the procedure, IQAC has given the progress and the performance in the first meeting. With this in every meeting the IQAC coordinator read the minutes of last meetings & they were confirmed unanimously.
- As per the decision made by meeting faculty members are suggested to increase the research publications hence Faculty members published their research papers on various levels.

Subsequent to the meeting of IQAC held on 24/09/2019 the following actions were taken for the smooth functioning of the institution and for the completion of IQAC procedures on time.

- To promote the research culture and to generate the taste of new knowledge in various discipline, Institute taken initiatives for research center of various subjects.
- Celebration and observance of nationally and internationally important days. Environmental Day International Yoga Day Reading Inspiration Day Voter Registration Day.

Subsequent to the meeting conducted on 06/11/2019. The following actions were taken for the betterment of the functioning of the institution

- The IQAC suggested the teacher to develop online learning platforms to enrich the teaching learning process. It proved very beneficial in the lockdown period. As it is started from March 24th 2020 teachers communicated with students through Google class room, zoom app and other online resources Teachers have developed e-notes and other resources.
- It is the annual practice to collect feedback and its analysis by IQAC along with principal. The feedback from the stakeholder were collected and analyzed and executed for further improvement.

Subsequent to the meeting of IQAC held on 07/12/2019. The following actions were taken to make academic and administrative side more strong and transparent. To fulfill the active role of IQAC

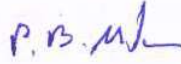

- To ensure transparency and verification, the Internal academic audit of the departments are conducted. These regular checkups and observations updated the academic needs of departments.
- As the management has special concern about environment and its preservation the Environmental Science subject is placed in the perspective plan. With guidance of Principal and management IQAC is decided to initiate the process of new subject- for the undergraduate students to inculcate valuable significance of environment.
- To boost the socially relevant activities through various units, IQAC is instructed to NSS, other cells committees including Career Counseling Unit to organized society oriented activities so as to develop employable skills in addition to the environmental consciousness among the students and nearby community.

Following actions were taken after the IQAC Meeting conducted on 23/04/2020.

- It is the annual practice to collect feedback and its analysis by IQAC along with principal. The feedback from the stakeholder were collected and to facilitate academic and administrative functioning of the institute. Feedback was collected from stakeholders.
- Annual report is the major initiatives and events of the College during the academic year. It recognizes the achievements of the students and faculty. In addition, it also provides information on the activities of student societies, institutional social responsibility and research achievement of College during the academic year. Annual report preparation is done and put forward to statutory body for submission to the parent University.
- The departments and supporting units were directed to prepare data collection for AQAR for the academic year 2019-20. The departments and supporting units were also instructed to present the reports of their activities conducted during the academic year.
